whether Government's attention has been drawn to the statement of Sri Lankan Plantation and Industry Minister Shri Ranjan Wijeratne that the repatriation of over one lakh Tamils of Indian origin under 1964 pact would start as soon as Indian Government was able to resume the ferry service between Taliai-Manner and Rameswaram and that non-resumption of ferry service by India would amount to sabotage of the 1964 pact; if so, what is Government's reaction thereto ?

(a) whether Government have seen a statement of Sri Lankan Cabinet Minister and Spokesman Ranjan Wijeratne issued in Colombo on 3rd May, published in Hindustan Times of 4th May, 1990 alleging India's failure to take back 1,00,000 Tamilian plantation workers of Indian origin and India's responsibility to send back Sri Lankan Tamil refugees and also making adverse comments on the role of the IPKF; and

(b) if so, what is the reaction of the Goverame it of India in this regard ?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI I.K. GUJRAL) : (a) Yes, Sir.

(b) India always honours its international commitments and Government is prepared to discuss with the Sri Lanka Government the modalities involved in the repatriation of Indian citizens in Sri Lanka concurrently with the return of Sri Lankan refugees from India as provided for in the Indo-Sri Lanka Agreement. However, Government cannot be unmindful of the fact that this matter involves human beings and not mere numbers. The simultaneous movement will have to be organised in a manner which minimises human suffering and takes into account the arrangements for rehabilitation and resettlement of those involved.
